

World Family Office Forum | Asia

15-16 October 2026

The Ritz Carlton Hotel, Hong Kong

The Event

The World Family Office Forum | Asia is an exclusive business event, uniting the region's leading business families and family offices.

A Private Forum for Thoughtful Exchange

The sixth edition of the summit brings together an exceptional community of family principals, family office leaders, and trusted advisors for in-depth dialogue on the most pressing challenges and opportunities facing families today. From navigating succession and governance to exploring new frontiers in investment and innovation, every session is designed to spark meaningful conversations and actionable insight.

Built around closed-door discussions, private roundtables, and informal networking, the forum creates a trusted environment where families can speak openly, share experiences, and form lasting partnerships.

Hosted by Connect Group, a long-established global leader in family office events, the forum blends international perspectives with a distinctly Asia lens. The event maintains a deliberately high ratio of family offices - with at least 70% of participants representing families or their offices - ensuring a peer-led atmosphere and conversations grounded in shared experience and long-term priorities.

Whether you're seeking strategic insight, or simply new connections with your peers, the World Family Office Forum | Asia offers a rare opportunity to engage and learn.
